

SUBMISSION

2020 CALIFORNIA ROSÉ

Notes

Made with fruit that showcases California's distinctive growing regions, our California Rosé highlights Sonoma, Mendocino, Lodi, and Monterey.

The Wine

Surrender and experience the Submission Rosé — a soft pink wine that's refreshingly elegant on the palate. Generous notes of fresh strawberry, tangerine, white peach, and rose petals will have you hooked after the first sip. Juicy red fruit flavors and delicate notes of minerality with balanced acidity lead to a rich and lively finish.
