

SIX EIGHT NINE

2022 CALIFORNIA WHITE

Notes

The 2022 vintage generated strong excitement among vintners, driven by the production of exceptionally high-quality wines. The growing season began under ideal conditions, followed by an unexpected Labor Day heat wave that effectively split harvest into earlier and later picks across much of California. While the heat reduced yields, it also resulted in memorable wines marked by outstanding concentration and complexity.

The Wine

The wine presents a medium-bodied structure with striking clarity and freshness. Notes of orange blossom, lemongrass, and crisp green apple move seamlessly across the palate, finishing long with well-integrated acidity and a core of rich, finely polished fruit.

BLEND Chardonnay • Sauvignon Blanc

MATURATION Aged in French Oak and stainless steel

ALC / VOL 13.5%
